

Family: The girls celebrated spring birthdays, and we now have our first teenager in the house! Alyssa is 13, Sabrina is 10 and Olivia is 8. They have enjoyed a fun summer at home, enjoying a vacation from schoolwork, spending time with friends and continuing to take ice skating lessons. Jennifer has enjoyed a vacation from homeschooling as well, and most of her piano students take the summer off. She has appreciated the spare time to get some projects done around the house and just have some "down" time. We will begin our next homeschool year in mid August.

Psalm 90:17 "May the favor of the Lord our God rest on us; establish the work of our hands for us - yes, establish the work of our hands."

Obrerofiel.com: God continues to show favor on this Spanish website ministry by providing ministry partners such as GotQuestions.org and Global Media Outreach with whom we are able to provide daily online discipleship and counseling to new and growing believers. Please pray for the release of our new landing pages for Obrerofiel.com late this summer and for me these last six months of the year as I focus on selling web advertisements for the purpose of supporting the operating cost of Obrerofiel.com. You can see the amazing ministry results and testimonies on www.seethemasters.com or by requesting this two-page PDF via email.

Testimonies from users of Obrerofiel.com:

"I am 45 years old, but as the Scripture says as of 2 months ago I am also a new creature. I am so happy because the Holy Spirit is now in my heart. I am reading four chapters of the Bible each day and following your devotional guide." Fernando (Columbia)

"I am struggling with a big problem. I felt the need for urgent help and that search led me to your web page. Thanks for your quick reply to my question. It is so helpful to have someone help guide me spiritually." Rodolfo (Argentina)

Bookstore: We are excited to have Eric Weaver back at CAM Center after his year in Guatemala learning Spanish. In late May, we decided to close the physical bookstore to the public, but continue the literature ministry through website and phone sales. **Again, the favor of the Lord has been upon our team** as we have received permission from Libros Alianza to distribute the following two new ministry tools for Latin churches who use the Spanish hymnal – *Celebremos Su Gloria*. With many thanks to Ivan Mungia, the Mexican programmer, our Presentation Hymnal 2.0 (similar to PowerPoint) will be released in August which provides computer projection of the 652 hymns. Also, the much anticipated Gloria 3.0 (electronic music box) should be released in September which allows Latin churches to have musical accompaniment to the 652 hymns in the *Celebremos Su Gloria* hymnal.

HOPE Coffee: For about the same price as a leading brand of coffee, you, your organization or your church can enjoy delicious coffee from a company whose *sole* mission is missions! HOPE Coffee doesn't only pay a fair price to farmers for their coffee - we invest *all* of our profits back into their communities and into missions. Join the missional java switch by ordering your bag of HOPE Coffee at www.hopecoffee.org. This summer, HOPE Coffee's profits have provided windows for a widow's house, three new roofs and five new floors for families! **Pray for God's favor to continue on this business** as we share the story and impact of HOPE Coffee through different marketing efforts.

Business as Mission: Late April and May found God's favor being poured out on CAM by connecting us with two business people who have offered CAM several business opportunities. Over these past few months, we have performed due diligence research on these opportunities and are still engaged in the learning and research mode. We have narrowed the list to two specific businesses; one that would employ Latins around the world to sell a helpful product which would give them connections to make disciples, and another one that would provide income for CAM International's operating expenses. Please pray for wisdom, discernment, and courage to know God's will in each of these current and future opportunities.

Thank you! We could not do what we do without your prayer and financial support! So many times this year, we have seen God work in amazing ways that we know can only be explained by prayer!
