

SUMMER ACTIVITIES

Summertime is a change of pace for everyone, including our family. Our girls have enjoyed a break from their studies to spend time with their friends. We kicked off the summer by celebrating Alyssa's graduation from high school on Memorial Day weekend.

In June, all three girls volunteered to help at our church's VBS program, and Alyssa and Sabrina enjoyed playing in the worship band as well. Our family piled into our van the day after VBS for a 10 day representation trip to visit and share our ministry with many friends at Blue Ridge Bible Church, Grace Bible Church and High Prairie Church in the Kansas City area. Even though it was a quick trip, we enjoyed sharing and listening to how God is working through the families in each of these churches. At the end of this trip, we had the wonderful privilege of witnessing our niece, Brianna Hopper's marriage to Jacob Aeschliman.

In July, Alyssa spent a week in New York City on a Missions Trip from our church – Lake Ridge Bible Church. They spent many hours sharing the gospel and handing out gospel tracts to people from all over the world. Alyssa was encouraged as she met a Christian lady from Finland who shared that she trusted Christ by reading a tract. The next week all three girls went to Student Life camp while Jennifer and I took a four day "second honeymoon" to northern Minnesota. We were able to use this time to reflect on our life, our girls, and our ministry.

August will bring many changes to our family including Alyssa's entrance into Criswell College with a focus on Biblical Studies. We are very thankful for God's provision of scholarships that will cover the cost of her education!

HOPE FOR THE SUMMER

Summertime is also a change of pace and focus for HOPE Coffee. While iced coffee is a wonderful treat, the sale of coffee does drop in the summer, which allows time for our staff to work on projects and to prepare for the fall. We had a wonderful time hosting Kike Vega, manager of HOPE Coffee @ Siguatepeque (our shop in Honduras), as he visited Dallas for a few days in early June. Our team was able to meet him, and Steven Knight, manager of HOPE Coffee @ DTS, was able to spend some time with him talking about the ministry business of running a coffee shop. Kike is also the pastor of the church that meets in the upstairs room above the coffee shop in Honduras. Pray for Kike as he leads his team of baristas and uses the coffee shop as a way of sharing the gospel in their community. You can see a video that a Camino Global intern produced about one of the baristas at <https://vimeo.com/175435687>

Kike and Brian

At the end of June, after we returned from our Representation Trip, we had our first HOPE Coffee All Employee Meeting for two days. It was a great time to review procedures, processes, and goals, and to seek out how to serve our customers better. Pray for our small team of five (mostly part-time): Eric Weaver, Steven Knight, Kaysi Stanley, Bethany Scott, and Jason Stoddard. Also pray for our team of baristas who serve at both coffee shops (Dallas and Siguatepeque) as we all work together to serve better and share the gospel.

My time this summer has been spent focusing on many projects. One project was finalizing the employee manual. Many thanks to Steve Forman with the Camino Global Foundation for his help in incorporating the best way to legally show that HOPE Coffee is a Christian Company that follows the law and abides by godly values. This employee manual can now be used

as a “template” for other companies that the Camino Global Foundation may launch in the future. Another project has been following the due diligence in seeking out a new country in which HOPE Coffee can engage in ministry. God continues to open this door wider as we walk down this path. Our goal is to collect more information to share toward the end of 2016 about this ministry opportunity. Mark and Michelle Fittz, founder of HOPE Coffee and fellow missionaries with Camino Global, are moving from Honduras to Mesquite, Texas for their one year home assignment beginning in August. Pray for Mark and I as we spend time listening to the direction God wants to take HOPE Coffee, and to how the US Christian market is responding to such a company whose focus is on providing funds to share the gospel. We need godly discernment.

Thank you! We can't say it enough. Your prayers are effective. Our family senses God's leading in each of our lives. HOPE Coffee has an impact because of the prayers of many and the encouragement of believers. We need you to continue to pray as our family endeavors to live out our faith in our own small neighborhood and in our daily “jobs” that God has provided. We sincerely thank you.
