

Olivia Rose came to join our family on May 15th at 3:04 P.M.! She weighed 7 pounds, 12 ounces and was 20.5 inches long. Now at 10 weeks, she is growing and smiling. Alyssa and Sabrina absolutely love their new baby sister and are lots of help to Mommy in taking care of Olivia (sometimes too much help!)

FAMILY

Alyssa will start Kindergarten on August 18th. She will be attending the public elementary school that is a few blocks from our home. We are excited about getting to know her teacher, who is a strong believer. Sabrina will miss having her big sister around to play with! Jennifer has already started teaching a few piano lessons again, but will resume her normal teaching schedule of 8-9 students in August and September.

CAM CENTER

During these past few months several of the 2003 goals have been met. Brian has been able to order new laser checks for our accounting department. This will enable us to move from using a noisy dot-matrix printer to a quieter and better quality laser printer. In mid-June, Brian installed an Internet content filter for CAM Center. Early July found us helping our missionaries' deal with SPAM (junk email) by offering an affordable SPAM solution. A great friend and mentor, Jon Hodges, helped Brian install an enclosed server rack in mid-July. During these past few months we have bought and installed 2 new computers and upgraded 2 existing computers.

OUR SUPPORT

We are praising God for raising our monthly financial support level to about 73% of our needed monthly support! After being encouraged to devote our energies to the Dallas area, it has been exciting to see many of our new supporters come from nearby. Between the 73% support that is coming into CAM and Brian's part time work at Marketplace Ministries, we have seen God supply 100% of our support every month! Please continue to pray for our remaining support to come in so that Brian can devote all of his efforts to CAM.

PRAYER REQUESTS

1. Pray for Bill Murphy, Aaron Sandoval, and Brian as they finish the Intranet web site for the CAM Missionaries. (This will enable easy communication between CAM Center and the CAM Missionaries).

2. Pray for the two of us in our spiritual walks, that we may be consistent and growing.
3. Pray for our family as we seek another couple with whom we can start a new Bible study using *The Stranger on the Road to Emmaus*.
4. Pray for a smooth transition for our family as Alyssa begins Kindergarten.

Occasionally, we will send out email prayer requests and updates. To receive these, please join our e-mail prayer letter list. To join, send an email to the
