

ALYSSA & SABRINA ENJOYING M&M'S

Thank you for your many prayers for us during these past 3 months. We have certainly felt God's leading and direction in many areas of our lives.

FAMILY EXCITING NEWS!

Sabrina is now almost 18 months old and beginning to jabber in full force. She is fascinated with shoes (shews). Alyssa is 4 ½ and loves to learn and write. God has given us two wonderful daughters! We are also excited to announce that we are expecting our third child on May 21 (Alyssa's 5th birthday)!

We have enjoyed many of you who have traveled to Dallas to see us. Thank you for your encouragement and prayers.

Next January will be busy, yet exciting. The first week of January we will see the youth group from Grace Bible Church in Stilwell (our home church) come to Dallas to help CAM Center in a short missions trip and missions challenge weekend. The following week, Jennifer and I are planning a trip to Mexico City to become more familiar with our CAM ministries in that region. During the last week of January, we will be participating in the Calvary Bible College missions conference in Kansas City.

FRIENDS

On Friday night, October 18th, we invited our neighbors (Dennis and Regina) to attend the Billy Graham Mission with us. Although they were unable to attend, we sloshed down to the Texas Stadium in the rain with rain slickers and umbrellas to hear Billy Graham, Randy Travis, and Jaci Valasquez. Once we were inside the stadium, the seats were dry but the message was alive! Reports estimate that 8,000-12,000 people have trusted Christ or recommitted their life to Christ as a result of the meetings. For many Evangelical churches in Dallas, the work is now to begin discipling these people. Please pray as new believers are directed to Bible-believing churches and taught the Word of God.

SUPPORT LEVEL

Our monthly financial support continues to rise. We are now sitting at 53% of the needed monthly income! Many of you know of the part-time job Brian has teaching at the community college. God has recently provided an additional part-time computer tech job on Fridays with a company called MarketPlace Ministries. The many churches and individuals who have partnered with us in ministry comprise 53% of our needed monthly support. The additional tent-making opportunities God has provided bring us to somewhere between 90%-95% of our needed monthly support! Even though these "part-time" jobs do take Brian away from CAM for almost 2 days a week, we are thankful for the witnessing opportunities that they are providing.

WITNESSING OPPORTUNITIES

With the arrival of the Billy Graham Mission in mid-October came the arrival of many witnessing opportunities. We've had opportunities to share Christ with our neighbors, with Mormons who came to our neighborhood, and with students at the community college. Please pray for Heather (a student) who is searching for the "real meaning of life" and has shown a sincere interest in learning more about the Bible.

CAM CENTER MINISTRY

We recently had a Microsoft Employee donate Microsoft Office XP and the operating system of XP Pro to CAM Center and to one of our seminaries in Guatemala. The retail value was \$67,000! We are thankful for his generosity! Joshua Reynolds, a college student from our church, has volunteered his skills for a fall internship with Brian. His first project has been to install Office XP on all of the computers at CAM Center. The help provided by volunteer interns like Joshua is invaluable! You may notice that this prayer letter has a different appearance than our previous letters. We are excited to be part of the "pilot" prayer letter program for CAM. Jennifer's dad, Alfie Pfeifer, is working to get this program off the ground, and we are thrilled at the amount of money and time this will save us! It is exciting to see God continue to work in our lives and through the ministry of CAM!
