

FAMILY

We enjoyed spending Christmas with Brian's family in Tulsa this year and experienced Tulsa's first blizzard on record. The girls loved having snow for Christmas! They went sledding with their cousins on makeshift sleds, and we both got in some exercise removing snowdrifts from the driveway.

Alyssa and Sabrina are in the middle of their basketball season and are enjoying their second year of learning the game. We are officially on the "downhill" side of our homeschool year and are having fun learning together. All three girls are participating in AWANA at church and Alyssa is nearly finished with her last book. She is looking forward to "graduating" this year and moving on next year to help out as a junior leader.

It shouldn't surprise you, but we as parents don't have all the answers on how to raise kids. We desire to disciple and teach our kids how to follow God's Word, but need some new ideas. If you've enjoyed some materials that you've used with your kids / grandkids, please write to us and let us know.

MINISTRY

We have a brand new website for our ministry. Check it out at www.seethemasters.com.

2010 has begun with a rush of activity; some very positive opportunities lie before CAM this year. Many people prayed for our need of a part-time maintenance person to help with the facility needs at CAM Center. God answered by having someone contact us out of the blue that has the right set of skills and the availability for this ministry position. Our hope is to have a simple year of routine maintenance. ☺

Obrerofiel (Bookstore, Publisher, Free Materials, Online Discipleship)

The Spanish Christian Bookstore continues to operate, although we have scaled back on a few things while we wait for the sales to increase. We are excited to report that we have finished *The Complete Book of Discipleship* by Bill Hull in Spanish (*El Libro Más Completo Del Discipulado*), and it is currently being printed. We will have this book ready to sell in print and in e-book format by the end of February. Our next book to publish is

Effective Pastoring by Bill Lawrence and it is currently in the process of being translated and edited. It costs \$15 to translate, edit and publish one copy of a book in Spanish. If you would like to donate to these publishing projects, you can send a gift to CAM for project number 060269.

Since our last prayer letter, God has revealed an exciting new ministry opportunity for CAM International. Two years ago, the board of CAM International decided that CAM's mission is to be focused on discipling Spanish-speakers around the world. Last year, Global Media Outreach (GMO), a ministry of Campus Crusade, asked CAM to partner with them in providing online discipleship for the thousands of new believers that were trusting Christ through their evangelistic websites (i.e. www.DiosAmaElMundo.com). This year, Obrerofiel (OF), the website ministry of CAM International, is developing an online discipleship program to disciple new believers in Christ in an online community. As GMO and OF met and discussed this partnership throughout December and January, we both stood in awe of the potential impact in the Spanish-speaking world for the Gospel.

To watch people coming to Christ live go to www.greatcommission2020.com. My role in this partnership is to facilitate the connections between Obrerofiel and GMO as well as recruit online missionaries from our retirees and missionary body and encourage them to help us recruit online missionaries from the national CAM churches and seminaries.
