## **FAMILY**

Spring is birthday season in the Masters family. Sabrina (now 5) and Brian celebrated birthdays in April, and Olivia (3) and Alyssa (8) celebrate birthdays in May. They are all excited about being another year older, and we can hardly believe how fast time is flying.

Jennifer enjoys participating in a ladies Bible study at church, and is on a rotating schedule for planning worship. She accompanies the church choir, and also plays the piano or keyboard for Sunday worship services.

Brian has enjoyed teaching a series on money management to our Sunday School class, and continues to schedule teachers and topics throughout the rest of the year.

## **GEEK SPEAK (Brian's column)**

These past 3 months have been a blur of activity and fun at CAM Center. God has answered your prayers by sending us Aaron Kraft to be our IT Support Technician at CAM Center. Aaron starts on May 22<sup>nd</sup> after he moves to Dallas from Louisville, Kentucky. God has been directing and is still directing Aaron toward ministry in missions. With a technical background of working for AOL and Humana, Aaron comes to CAM with a Bible College degree and is working toward completing his Masters' at Dallas Theological Seminary (DTS) and then earning his Doctorate at DTS. It is encouraging to see how specifically God answers prayer. (More detail to the answer to prayer on our website – seethemasters.com)

Another fun blur which was on the past horizon and is stretching into the future horizon is the new look for our [www.caminternational.org](http://www.caminternational.org) website. I feel like I'm in the middle of the rainbow and watching it unfold. Our goal is to have the redesigned website open to the public on August 1<sup>st</sup>. (It is really, really cool!!!)

Part of the blur was a couple of projects like analyzing the best shipping company (UPS, DHL, Fed-Ex) and writing job descriptions, but a lot of it was the usual setting up new computers,

fixing broken computers, troubleshooting problems on computers, etc. These are the fun things that I will have help with once Aaron arrives. He will have his hands full while we are gone in June. 😊

For the next 3 months, here is what we have planned if the “creek don't rise”. May will include a quick training session for Aaron and preparations to leave for the month of June. June will find us traveling to Antigua, Guatemala to study Spanish from June 1<sup>st</sup> – July 1<sup>st</sup>. July will usher us into finishing the training for Aaron and finalizing the new website to launch at the end of July.

## **LANGUAGE SCHOOL**

We shared in our last prayer letter about our desire to learn Spanish, and our plans for a month of language school. We will spend the month of June studying Spanish at the Christian Spanish Academy located in Antigua, Guatemala. This school offers a unique, intensive approach to learning Spanish through individual tutoring.

We fly from Dallas to Guatemala City on June 1. Antigua is located about 45 minutes outside of the capital. Our family will stay in a small house on the grounds of a retired CAM missionary. This location is within walking distance of the language school. We will be challenged as we live “in the culture”, buy food, and take taxis all with minimal Spanish! Pray that we would learn quickly and be able to make the most of this opportunity.

Please pray as we watch God provide for the \$4,500 needed for this training. You may contribute to this fund by sending a check to CAM International with “060299 – Masters Language School” in the memo line.

## **PRAYER:**

- Language School Learning
- All 3 girls while we live in Guatemala for 4 weeks.
- Aaron Kraft as he “holds down the fort” while we are gone.
- CAM's web developer Joshua Scott as he continues to develop CAM's new website.

## **PRAISE:**

- Aaron and Carrie Kraft were able to find a house in a quick weekend search in April.
- We were able to get plane tickets for \$389! A week prior the lowest price was \$533 and the day after we bought our tickets the lowest price was \$644. God was at work!!!
- We have a family from our church who will be house-sitting for us while we are gone. They leave for Ecuador as missionaries in early July.
