

FAMILY

After enjoying a quiet summer, we are off to a busy autumn. Jennifer and the girls have completed the first few months of homeschooling, and are enjoying learning lots of new things together. Alyssa is in 6th grade, Sabrina in 3rd grade and Olivia in 1st grade. They have all enjoyed taking a home school ice skating class together this fall and will be starting basketball in the next few weeks. They enjoy spending time with friends at church and are studying piano with Jennifer. We are all loving the beautiful fall weather in Texas!

The health kick came to the Masters' house in July of this year (sort of late for a New Year's resolution). However, we have thoroughly enjoyed eating proper portions and exercising. We have both lost weight and are feeling much healthier. Brian will be running a half-marathon in November as Jennifer's brother runs the full marathon. Pray that we can sustain our healthy habits as it also has a positive effect on our spiritual journey.

MINISTRY

If you are not receiving our monthly email updates and would like to begin receiving them, please send us an email. We have posted the last few on www.seethemasters.com for those that would like to see them.

Neighbors

In the past, we've asked you to pray for our elderly neighbor Maude. She went into the hospital about six months ago, and was then moved to a rehabilitation facility, where she has been since then. Jennifer and the girls have visited her on a regular basis. We are excited to report that she prayed with Jennifer to accept Christ a few weeks ago. Her health is very fragile, however, and she has been hospitalized for several days recently. Pray for her full understanding of what Christ has done for her.

Bookstore – Obrerofiel

The Spanish Christian Bookstore is making progress. We've had our second free breakfast and seminar and are currently planning our third one for Saturday, November 21st. Unfortunately, we've had to reduce the hours of our staff slightly to compensate for the

lower sales this fall. However, we were able to extend the daily hours the bookstore is open and include Saturdays. Pray as we work on some ministry and marketing plans for the remainder of this year, which we hope will help to boost sales.

One of our customers is Denver Seminary's IDEAL Institute which is a lay-level certificate program that offers classes in Bible and theology to Hispanics in the metro Denver area. We are extremely happy to provide the CLASE material from our seminary in Guatemala (SETECA) to Denver Seminary for their ministry training program. The Rio Grande Bible Institute as well as other institutes across the US also purchase materials from us for their students. It is a joy to serve many Hispanics across the US with discipleship and leadership training materials.

Hodgepodge of Responsibility

Praise the Lord that the roof of our administration building has been completed! The fall rain storms have come and we are no longer worried about large leaks or damage to our building. One of the challenges this fall has been that our facilities guy, a missionary with CAM, is no longer able to take care of many of our maintenance needs due to some health restrictions. So for the past month or so, Alfie Pfeifer (Jennifer's dad) and I have pitched in to do the mowing and trimming. Driving the John Deere tractor is actually quite fun and relaxing. Please pray as we look for a long term solution to this need at CAM's headquarters.

One of the services that we provide our missionaries is a vehicle purchasing program through a dealer who is a friend of CAM. This past week, two of us who are agents of the dealer were able to purchase a van from the auction for one of our missionaries. This coming week, we are also testing out a 15 passenger van for CAM's MK school in Puebla, Mexico. We really enjoy saving our missionaries money while finding them quality vehicles that will help them in their ministries.

Dan Shotts, our Director of Finance, and I have been reviewing and planning for next year's health insurance plan for our missionaries. We are thankful for God's provision for our missionaries this year and are seeking ways to improve this benefit for all our missionaries. Pray that God would give us wisdom as we complete the planning process over the next few months.

PRAISE AND PRAYER

We praise God for: new financial supporters, God's allowing CAM to be recognized as an association of churches by the IRS, a stable website for our bookstore (www.tiendaobrerofiel.com), godly leadership, sensitive kids with tender hearts towards God's Word.
