

## Family Update

Our summer has held a whirlwind of activity. In May, we enjoyed some downtime at the beach with Brian's family. June held a mission trip to New York City for Alyssa and Sabrina, a mission trip to Honduras for Brian and Jennifer, and a week later a trip to camp in Colorado for Sabrina and Olivia. In August, Alyssa will be moving into an apartment with friends in preparation for starting her junior year at Criswell College. Sabrina will begin her senior year of high school and Olivia will begin her sophomore year of high school. We appreciate your prayers for our spiritual growth as a family and for the activities of the upcoming school year.

## Ministry Update

In June, Jennifer and I, along with Roger and Judy Raymer (Missions Pastor at Lake Ridge Bible Church and fellow Camino Global Missionary), had the opportunity to lead a group of adults on a missions exposure trip to Honduras. This trip enabled the group to see firsthand the impact of HOPE Coffee projects in several communities throughout Honduras. In the seaside town of Tela, we met Juanita, a recipient of a water storage unit about 3 years ago, who trusted Christ and is now following Him. Pray for Pastor Luis and Wendy as they disciple her and her family. We also met several families in Agua Salada, a small village along a very rugged mountain road which received 10 bathroom facilities this year. Pray for Pastor Jose Santana and Kike Vega as they share the gospel with these families. You can read the full story at <https://www.hopcoffee.com/building-hope-for-agua-salada/>. In addition to past and current projects, we also had the opportunity to meet a family that may be a recipient of a future project. Pray for the local pastor who is meeting with them and sharing the gospel regularly.

Our team is considering offering missions exposure trips like this one to the growing list of churches who serve HOPE Coffee. Please pray for wisdom and discernment as we consider this opportunity. As our team continues to serve churches, businesses, coffee shops and restaurants across the US, we are encouraged by the ministry results in Honduras and in Mexico where dozens have heard the gospel and at least five people have trusted in Jesus so far this year. Please pray for our leadership team as we anticipate the launch of HOPE Coffee Canada later this year and the expansion of ministry components into Uganda next year. You are a vital part of the spread of the gospel through the churches in Honduras and Mexico, and in the future, to other countries as well.

## Financial Support Level

We so appreciate the prayer and financial support that our support team provides for us and have been encouraged as we've seen God provide over the 18 years that we have been members of Camino Global. Our monthly support level is currently at about 80% of the needed amount. In the past, Camino has partially supplemented our support, but due to recent financial difficulties, they may no longer be able to do so. And so, we've been encouraged to raise the remaining amount of \$1,100 per month. If you would like to partner with our ministry financially, we would encourage you to give to our Camino Global account (092200) or online at <https://www.caminoglobal.org/give/missionary/brian-and-jennifer-masters>

Thank you for being a part of our family and ministry!
