

Family Update

While the first three months of 2019 have held many challenges, we have been encouraged by God's faithfulness. Our girls are finishing up their last month of the school year and Sabrina will be graduating in May. They are looking forward to a little more free time this summer along with camp and work. This fall, Sabrina will start her first year at Moody Bible Institute in Chicago, and Alyssa will start her senior year at Criswell College. It's hard to believe that we will only have one left in high school! We appreciate your prayers as we all adjust to a new normal.

Ministry Impact Update

Chiapas Mexico - "We were scared to share the gospel because we had heard rumors that years ago people from this village had tied up Christians." In March, Luis and Manuel, members of the church in Leningrado, shared these words with Pastor Sergio as they were leaving the village of El Pajal. They were rejoicing because they were able to provide a way for this village to receive clean water through the water filters AND they were allowed to share the gospel with 21 of the 23 families. This was the first time in recent history that the gospel had been openly shared in the small village of El Pajal in the area of Tzimol, Chiapas Mexico! Over the next couple of months, the believers from Leningrado will walk 20 minutes to the village of El Pajal in order to follow up with each family regarding the use of the water filter. While they explain the cleaning process, they will be able to continue to share the gospel. Please pray that these 23 families will trust in Jesus. God used Pastor Sergio that day to train Luis, from Leningrado, and Simon, from Patrocino, how to share the gospel using a simple water filter so that, in the future, other villages may also hear the gospel.

Families receiving a new Bible

Pastor Sergio sharing the gospel in El Pajal

Siguatepeque Honduras – Rodimiro, one of the coffee farmers who grows our Honduran line of HOPE Coffee, asked if we could provide protective gear and a Bible for each of the 40 coffee pickers that he hires to pick the coffee we purchase. Through a generous donation from someone in a HOPE Partner church, we were able to provide these items in February. As Rodimiro distributed the rubber boots and ponchos, he was able to share the gospel with each picker. Victor Portillo, one of the coffee pickers, responded "I've waited a long time for a Bible." Pray that God would cause the seed of the gospel to grow in their hearts. Over the next several months, four more projects in Honduras and Mexico are planned.

Mission Update

As we wait for answers regarding the future integration between Camino and Avant, I'm reminded of a book I read years ago called "Sacred Waiting". Waiting is often necessary as God moves the pieces of His highest and best plan for us into place. We have prayed, sought counsel, talked with Avant, and there appears to be a plausible solution for us and for HOPE Coffee on the horizon. Stay tuned. We eagerly await His direction.

God continues to provide for our team as we see Him grow the business and ministry of HOPE Coffee. Not only are we adding many new customers each month, but we are searching for a new ministry leader in Honduras, searching for an additional country for coffee and ministry, and searching for a future location for our warehouse. Thank you for praying for our team and for the business and ministry plans of HOPE Coffee! You are a vital part of what God is doing in and through HOPE Coffee and the local church leaders in Honduras and Mexico.

Together we serve better,

Brian, Jennifer, Alyssa, Sabrina, and Olivia Masters
