

Family Update

Can you believe that 2020 is over half over? What a roller coaster of a year it has been! While staying close to home this summer, we've enjoyed some great family time and have loved having all three girls at home. Brian and Jennifer celebrated their 25th wedding anniversary in June with a short getaway to a nearby town. As the summer winds down, Sabrina will be heading back to Moody Bible Institute in Chicago to continue her education, and Olivia will be taking online dual credit courses as she begins her senior year of high school. Now that Alyssa has graduated from college, she is working for HOPE Coffee, managing the coffee shop at DTS, and coordinating the social media for both the DTS shop and the new Sunnyvale shop. Jennifer has transitioned to teaching her piano students virtually and will probably continue that into the fall. We're encouraged as we see God continuing to meet our needs in difficult economic times through creative means. God is so good!

Ministry Update

Thank you for praying for the ministries of HOPE Coffee and Create Hope. God has answered your prayers and allowed our team to see spiritual fruit through many of these efforts!

Water Filter - Felipe Angeles, Chiapas, Mexico

On March 24, when we were just learning about COVID-19 in the US, 60 families in Felipe Angeles, Chiapas, Mexico heard the gospel and received a water filter that transformed their dirty river water into pure, clean water that they could drink. A significant amount of preparation and prayer went into this one-day event. Pastor Jose Alberto and the Solo Cristo Salva church spent the month of February learning from Abelardo how to construct the water filtration systems and how to share the gospel while explaining how to use the water filters. Seven leaders were chosen from the church to lead the smaller groups from the village. The youth prepared a mime skit and one believer, Eleazar, shared his testimony of how Jesus changed his life. Pray for these families to trust in Jesus as they drink clean water each day and remember God's truth that they heard.

In our April prayer letter, we shared the need for daily food for many families in Honduras and Guatemala who were no longer able to work due to COVID-19. We are thankful for the funds that God provided to Create Hope for this purpose. Since then, the local pastors and leaders in both countries have been able to **distribute food to over 550 families!** In the two small Honduran villages of Jololo and San Isidro, Pastor Carlos shared the gospel with each family as he gave them food in early May. Over the next two weeks, **37 people trusted in Jesus!** You can see the pictures and read the whole story on <https://www.hopecoffee.com/thirty-seven/>. During that same month, in southern Honduras, another pastor was able to distribute food to families in a military confined town. Once the confinement was lifted, one lady walked 3.5 miles in the sweltering heat to find the church that had brought them food. She wanted to thank them for their love and care for her family. What an amazing opportunity to share about the love of Jesus!

Food Distribution - Honduras

Also, in that letter, we asked you to pray for funds to pay the national ministry leaders (Abelardo Aguilar in Mexico and Carlos Ramos in Honduras). God has provided enough funds for a little over 5 months of salary for these leaders! This allows the ministry of HOPE Coffee and Create Hope to continue in these countries. Thank you for praying and giving!

We would appreciate your prayers for the continued sales of HOPE Coffee (you can now buy it on Amazon as well as www.hopcoffee.com) as that funds these ministries. Due to COVID-19 limiting in person worship at churches, HOPE Coffee's sales have been drastically reduced, since a large portion of our customer base is churches. We would also appreciate your prayers for the opening of a new HOPE Coffee shop in Sunnyvale, Texas (August / September) that it would be a witness in the community.

Thank you for your prayer and financial support of our ministry through the mission agency Create Hope. You can make tax-deductible donations to Create Hope by either check, credit card or bank draft. Checks can be mailed to Create Hope, Suite 2102, 129 N.
