

Family Update

As we enter December, we reflect on God's faithfulness over what has certainly been an unusual year. We are so thankful for God's provision for our family in tough times and for his direction and faithfulness through each month of this year. Olivia is halfway through her senior year of high school and is taking dual credit classes online. Sabrina was able to return to Moody Bible Institute in Chicago to continue her education in August. She came back home a few days before Thanksgiving to finish out the semester online and plans to return to Chicago at the end of January for the next semester. You can listen to her latest song titled 626 (Matthew 6:26) on any music streaming service by searching Sabrina Masters. Alyssa is staying busy working at both the DTS HOPE Coffee shop and the new shop in Sunnyvale. She also continues to develop her photography business. Jennifer has taught piano lessons virtually this semester and has been helping with the new coffee shop since she isn't accompanying many school events. We are enjoying having all our girls home for the next month and a half!

Ministry Update

The year 2020 was one of the most anticipated years of generations past. Many of us heard "Vision 2020" mentioned in some form over the last 30-40 years with respect to a future desired reality. As it turns out, the year 2020 has been a wildly different year from what any of us had imagined. Yet...as we reflect on God's plan for us this year, we have seen God's provision, direction, kindness, trustworthiness, protection, faithfulness, and love for our family, our friends, and the ministries of HOPE Coffee and Create Hope.

Rejoice with us as we celebrate 47 people who trusted in Jesus this year as the local churches in their area shared the gospel with them. Not only has the gospel spread through providing clean water and food during the Covid and hurricane relief efforts in Honduras and Mexico, but we have also seen many families take interest in the gospel message precisely because a local church showed them love by helping their family with a need. Some of these families are now attending a Bible study or attending a local church. This year the churches we partnered with in Mexico and Honduras provided 8 families with safe shelter (roofs, floors or whole homes), 90 families with water filters and 550 families with food relief. God has provided for many needs through you, through our Create Hope ministry partners and through the provision of funds through the customers of HOPE Coffee. Thank you for being involved and for praying this year!

Church leaders in Tabasco are learning how to use the water filters for both hurricane relief and sharing the gospel in their community

Rejoice with us for God's faithfulness to our team at HOPE Coffee Sunnyvale. On November 5th, this new coffee shop location opened for business. It has been a long journey that included 2 years of planning and 11 months of working through the build-out and design details. We believe this journey is worth the effort so that many in the area will hear and understand the vision of HOPE Coffee, which is to act justly, love mercy and walk humbly so that many hear the gospel of Jesus Christ.

Rejoice with us for God's provision of an office / warehouse space for HOPE Coffee. On November 16th, our team finished moving into the 3,000 square foot space that God provided for us at 3884 S. Shiloh Road, STE 100, Garland, Texas 75041. It is exactly what we needed, at the price we could afford, with additional space for future expansion. We believe that God directed us to this location, one that we first passed on, but one that He redirected us to for His purposes. Thank you for praying for HOPE Coffee as we continue to serve others by providing great coffee and tea.

Rejoice with us as we tell others of God's kindness to our family as He provided above and beyond what we thought was possible during this unique year. He is trustworthy. Our vision for 2020 has been adjusted to include the reality that God is in control of all of life – no matter what the circumstances. He is in control and desires that many hear the gospel and trust in Him.
